

Caspian Class at Roleystone Horse and Pony Sanctuary Show September 15th 2019

An in hand class for Pure and Part Bred Caspians will be held at the Show, in memory of **Rudaki Ceres**, a two year old purebred Caspian filly, who died a tragically at a young age. A memorial trophy will be presented by the Sanctuary, the Caspian Horse Society has donated rosettes and there will be £50 prize money. The Sanctuary has had a long association with Caspians, indeed they have several in their care at the moment. We owe them a great debt! They write 'This breed has a very special place within the heart of the Sanctuary and we would love to see a large turnout of this little horse with the huge character.'
